

THE ADVOCATE.

NEWS OF THE WEEK.

Dr. John Bryan Bowman, founder of Kentucky University, and for many years its Regent, died Tuesday at Harrodsburg, in his sixty-seventh year.

At Trenton, N. J., a decision has been rendered against Robert Garrett, the erratic ex-President of the Baltimore and Ohio railroad, in a case involving \$3,000,000.

The miners at Briceville, Tenn., have held several meetings recently, and it is expected that an attack will be made upon the branch prison before long, and the convicts released.

The Russian Government has announced to its peasants that it can supply them with grain between now and the end of the year, but after that it will be almost impossible to find food for them.

Herr Wernuth, Germany's World's Fair Commissioner, has selected as a site for Germany's official building a plat a little north and west of that selected by Great Britain, and immediately north of Mexico's location.

General Nathan Goff denies the statement published Wednesday that he had been informally offered an Associate Judgeship through the influence of Hon. Stephen B. Elkins, and pronounces the Wheeling dispatch false.

There is a remarkable infant at the residence of Benjamin Davis, of Lima, O. It was born last Sunday, and only weighs by actual test a pound and a half. The babe is perfectly formed, and is so small that it looks lost in a cigar-box.

Luther Vittoe, a resident of Harlan county, is the father of thirty-seven children, and twenty-three are living. He has been married three times and twenty of his children have been born by his last wife. He is fifty-eight years old.

The Southern Gas Trust and Construction Company, controlling and operating the Palatka Gaslight and Fuel Company and the Gainesville Gas and Electric Light Company, has been placed in the hands of a Receiver. Many of the stockholders reside in the North.

The President has appointed Col. J. W. Barrow, Capt. T. W. Symons and Prof. A. T. Masman members of the Mexican Boundary Commission, which is authorized by Congress to re-locate the frontier line between the United States and Mexico west of the Rio Grande.

Dr. Mark Anthony Baldwin, the fighter-in-chief of the Georgia Legislature, got into another row Tuesday. In the House, there was a lively scene, and the fighter started to cut up Legislator Fleming. The latter band went behind him and the Doctor considered. Duel talk is plentiful.

Dennis Gleason, a laborer, got drunk at Lexington Wednesday night, and lay down across the track of the N. N. & M. V. railroad. An engine struck him, cutting the right leg into sections. He was removed to the City Hospital, where his injuries were attended to.

George Wemes, a farm overseer, living near Louisville, denounced Joseph Sherfield for telling a scandalous story concerning him, Tuesday. He struck Sherfield twice on the head, and the man died soon afterwards. Wemes gave himself up, and was released on bail.

Well-informed persons say that the reciprocity treaty between Mexico and the United States will be only partial, as the question of ores will not be discussed, the only subject for discussion being what compensation Mexico shall give to the United States for the free admission of hides, sugar and coffee.

The trouble over the Lyon county bond matter will be renewed. The Louisville committee has notified the Chairman of the Lyon County Commissioners that counsel had been instructed to proceed to make good the claim against the county. The Commissioners decline to make any proposition to the bondholders.

The firm of S. V. White & Co., of which "Deacon" White, the New York ex-Congressman, is the head, assigned Tuesday, both at New York and Chicago. They were long on corn. The markets were not much affected by the assignment. White's private fortune is estimated at \$2,000,000.

A wind storm struck Duell and Lac Qui counties, South Dakota, doing great damage to buildings and crops. No lives are reported lost.

The object of Henry M. Stanley's visit to the King of the Belgians is to resign his position as Governor of the Congo State. The post has been declined by a German officer of colonial experience now in Africa.

Two Lincoln county boys, Frank Bastin and Joe Henry, aged twelve and nineteen, became involved in a quarrel over a whisky bottle, and Bastin stabbed Henry in the side with a pocket knife. It is thought Henry will die.

Owen, Bill and Jack Beasley, Jr., surrendered themselves to the officers at Harrodsburg Tuesday. These are not so badly wanted as Jim and John Beasley, who, the prisoners say, are in Kansas on a visit, and who will surrender when they come back.

The Russian Minister of the Interior has drafted a law providing for the deportation to Tobolsk, in Siberia, of all foreigners coming under the decree of expulsion, if their own country refuses to receive them. The measure will chiefly affect Jews and Poles.

The British steamer Saxon Prince, 530 tons, from Huelva, Spain, collided with the steamer Myra, outward bound from that port. The Myra returned to the Mersey, and the Saxon Prince afterward collided with and sunk the steamer Lugar. There was no loss of life.

Ex-Governor Albert P. Moorehouse committed suicide by cutting his throat with a pocket knife at his home at Maryville, Mo., on Wednesday morning last. He had been in ill health for some time and suffering from nervous prostration, which is supposed to be the cause of the rash deed.

As a result of the fast run made on the New York Central road last week, the Vanderbilt people propose to put on a train between New York and Buffalo, the schedule time of which will be sixty miles an hour, which will be the fastest scheduled regular train in the world, it is stated. October 1 is named as the probable date of putting on the train.

Attorney-General Miller has appointed Charles H. Murray, of New York City, a Special Assistant United States District Attorney for the Southern District of New York, to have charge of all matters pertaining to immigration at the port of New York. He will give legal advice to the Superintendent of Immigration and take legal steps to enforce the law when it is violated.

Remarkable spectacles are presented along the River Dee, above London. A tide twenty feet high, driven up the river by the gale, effectually backed the floods coming down. The result is the course of the river is flooded for miles, and only hedge tops are visible in the country bordering its banks. The reports from all parts of North Wales, England and South Scotland, tell of irreparable damage done to crops.

The students of Wooster University are greatly dissatisfied over a resolution adopted by the Faculty which says "that hereafter no participation in inter-collegiate games and contests shall be permitted." Athletics have been encouraged for some years by the Faculty and citizens. The students assisted by citizens erected a fine gymnasium and supplied it with all conveniences, so that the foot and base ball teams should especially have all the advantages.

The conference between Treasury officials and the attorney representing importers of embroideries used as hat trimmings, was concluded Tuesday. It is understood that the Government will refund the excess of duty collected on importations of the character referred to, coming with the purview of the decision of the United States Supreme Court, and which had reference to ribbons chiefly or exclusively used as hat trimmings.

There was a fearful wreck on the Kentucky Central railroad, four miles north of Winchester, Tuesday. The north-bound freight leaving there at 10, a. m., left the track, at Prewitt and ran three-quarters of a mile on the ties, crossing a bridge. Two cars heavily laden with lumber broke through the ties and plowed up the track for 150 feet. The cars were badly damaged, but not one of the train of twelve turned over. No one was hurt beyond a certain bruise received by brakemen. Passengers and baggage had to be transferred and trains were delayed several hours.
